David,

Attached please find the SSWR StRAP for your review. You will find it very readable and yet a comprehensive summary of the designated OW (and other) strategic needs. Back calculating from the time necessary to allow a 4 week review time for the BOSC meeting scheduled for April 23/24, this would allow 1 week for DDD review, 1 week for JOZ review, 1 week SvD last revisions, and then we can meet that time frame exactly. So, if you could have comments back and the document moved to JOZ by COB Tuesday, March 12, that would be great.

Megan Christian – hi, since Megan Fleming and I will both be away one week hence, if you could track this movement that would be very helpful.

Thanks
